Description;

The project, which responds to all the needs of my contemporary life, is located in Ataşehir, one of the most prestigious and lively regions of the Anatolian Side of Istanbul. The project, which is located close to the shores of the Marmara Sea, deserves to be the first choice of those who want to live a comfortable life with its spacious apartment type solutions, spacious balconies and en-suite bathrooms. The project is located very close to E5, TEM connection roads and public transportation stop such as Kadıköy metro. It brings together everything that its residents need in their daily lives, especially in market places, shopping malls, schools, universities, education centers, hospitals, business centers and service centers. Designed with a modern architectural perspective, the project brings the longed-for view pleasure to the houses. With its large areas, elegant architectural style and high quality materials, the project dazzles with its 1 + 1 and 2 + 1 type apartment options in hotel standards.
