Description;

This project, which stands out with its location in the city center, offers 1+1, 2+1, 3+1 and 4+1 type flats to the taste of the buyers. The project has an area of 103.00 square meters and creates a very fresh complex with 85% green space.

There are 16 residential blocks and 1050 apartments for sale in addition to 40 stores/shops. Also, the titles deeds are ready to be delivered to the buyers.

For families with children, there are safe gardens and playgrounds for them to enjoy life to the fullest. Terraces and a swimming pool are also included in the housing project which is developed with the cooperation of two reliable construction companies.

Make a profitable investment in the city center

The project is the favorite of those looking for a healthy life in greenery without leaving the center of Istanbul. A profitable investment opportunity and comfortable housing project are waiting for you. Thus, the project will meet all the needs and requirements of the potential customers.

The project is just 1500 m away from the Buyukdere Street

The housing project is only 2 minutes away from Buyukdere Street. This makes the project very privileged and valuable. Because the headquarters of banks, business centers and most of the skyscrapers are on this street.

The project offers you everything you need within walking distance. For instance, you can easily reach the metro station and skip the heavy traffic of the city.

The project offers you everything you need within walking distance. For instance, you can easily reach

the metro station and skip the heavy traffic of the city.
