Description;

This project is constructed in one of the fastest-growing areas in Istanbul. The project is located in Eyup which is a significant place with its historical background. With its central location and dynamic lifestyle.

The project has an 18,754 square meter field. Furthermore, it serves 1+1, 2+1 and 3+1 types of 127 apartments. They have terrace and garden options. Also, the loft apartments with wide landscapes enable enjoying the marvelous view of Halic. You should absolutely take your place in this privileged project.

The project and its social facilities promise an exclusive experience to its investors. For instance, you can enjoy the walking paths on a peaceful environment. If you are interested in sports, the fitness center is carefully designed for you. With its other social facilities planned for joyful times, the project presents you a comfortable life in a central location.

the project; Marvelous Location, Easy Transportation
With its central location, the project eases your life in the city. Moreover, the project is near the metro station. It is also very close to hospitals, universities and business centers. The other transportation advantages of the project are;

The popular shopping centers such as Istanbul Mall is only 5 minutes away. Vadi Istanbul is only 10 minutes away.
One of Istanbul's most popular and famous places, Taksim is only 15 minutes away.
It is easy to reach the Istanbul Airport in only 15 minutes from the project.
You can contact us for more information on this project or on the apartments for sale in Eyup. You can also take advantage of the payment plans developed for you and increase your living standards. With the newly developed housing projects and their strong investment opportunities, you will be able to earn a lifetime income.
