Description;

The project promises a quiet break from the crowded city life. The project, which attracts the attention of those who want to live a quality life by feeling special, is being developed in Küçükçekmece. Offering the most advanced technologies of the time, the project includes 1+1, 2+1 and 3+1 housing options. Whichever lifestyle you choose, no matter how different the life you want to live, the options that will best suit you are in the project.

Quality Life and Profitable Investment

152 flats offered for sale within the scope of the project are waiting for their buyers. The project, developed on an area of 8,000 square meters with 2 blocks and 8 commercial units, offers the best opportunities for you. The common point of all houses is a quality life and at the same time a profitable real estate investment opportunity.

For those who want to relieve the tiredness of the week, extensive social opportunities were included in the project. Indoor swimming pools, fitness center, sauna, Finnish bath, lush landscape, walking paths, shopping stores and playgrounds for children are available in the project. It is possible to find a fun activity for everyone in these facilities located under the residential blocks.

1 minute to Bus Stop and Metro Station

Istanbul Airport, 3rd Bridge connection roads, metrobus and metro stations are also very close to the project. At the same time, the project, which is located right next to Kanal Istanbul, is next to hospitals, educational institutions, markets and shopping centers.
