Description;

This project rises in the Kavaklı district of Beylikdüzü, the rapidly developing district of Istanbul. The project is waiting for its investors with its location that provides all the possibilities of the city, social facilities, and large and spacious apartments. The project, which takes its place among Beylikdüzü housing projects, is being implemented by a reliable company. The project offers investors the opportunity to make an investment with a high return. Take your place in the project that will shape the housing culture by bringing together superior design and technology!

The project draws attention with its concept suitable for family life and its modern design. There are 94 flats and 17 commercial units in 2+1, 3+1, 4+1 types in the project. Duplex options are also available. The project, which consists of 3 blocks with 8 floors, has an area of 6,500 square meters.

Beylikdüzü, one of the rapidly developing and changing living spaces of the European Side of Istanbul, increases the investment value of the region with its new housing project. Contrary to the usual metropolitan life, the project, which prioritizes more elegant, peaceful and modern simplicity, was designed in a concept suitable for family life. The project awaits its investors with its spaces that respond to basic functions and are open to change over time according to their needs. There are also commercial units in the project, where you will enjoy every moment in shops, cafes and restaurants.

The project will bring peace and health to your life with its social activity areas. Indoor swimming pool, Turkish Bath, sauna, steam room and fitness center are waiting for you in the project. Your children will play safely in the playgrounds located in lush green areas.

Get ready for a more social and comfortable life with the project. The project will facilitate your access to everywhere thanks to its proximity to main arteries such as E5 and TEM. At the same time, the project is very close to Yakuplu beach, Yaşam Vadisi and Marina.

The project is 5 minutes from Beylikdüzü Metrobus stations and 10 minutes from IDO. In addition, Gürpınar beach and Albatros beach are 10 minutes away from the project.
