Description;

This project comes to life in Beylikduzu, the rising star of Istanbul. Beylikduzu, which hosts large and spacious real estate projects, is the choice of families. It manages to be the favorite of investors with its easy connection to transportation routes, facilities and its development.

Rising as a family-concept living space, the housing project promises a peaceful environment. Take your place in the district of Istanbul, whose investment value is increasing day by day. You will find quality, elegance and comfort in these properties.

The project housing project consists of 3 blocks in total. There are 40 flats in total in these blocks. Reserve your place now in this living space that will decorate your pleasant moments with your family. Istanbul Beylikduzu stands out with its 2+1, 3+1 and 2+4 duplexes among its flats for sale. Marmarin Plus also has various privileges. Let's talk about the social opportunities and the advantages of its location.

The Project Privileges

Rising in the calm and peaceful environment of Beylikduzu, the Istanbul real estate housing project will satisfy you in every respect. Located away from the crowd and noise of Istanbul, the apartments will allow you to relieve the tiredness of the big city. In addition to this, you will be in the city whenever you want with ease of transportation to the main roads. It's totally up to you!

In addition to all these, it is close to two popular points of Beylikduzu. One of them is the Valley of Life and the other is the marina. All shades of green will embrace you in the Valley of Life. On the other
