Description;

A comfort-class residence with rich infrastructure is an excellent opportunity for investors who want to purchase modern property at competitive prices.

In the very center of a large and very popular area of Alanya - Kestel, at a distance of 200 meters from the coastline. The complex will feature bright and modern architecture, high-quality building materials, comfortable apartment layouts and, of course, rich internal infrastructure including.

Completion is scheduled for December 2022.

Kestel is a beautiful and well-maintained coastal town with a very developed social, commercial and transport infrastructure. There are a lot of areas for walks, many restaurants and cafes, shops and supermarkets, there are many places in the open air for sports. There are also banks, exchange offices, pharmacies, private and public medical institutions, schools and a kindergarten.

We will be happy to share with you more detailed information about the project and help you choose the perfect apartment for your life! Contact us with any questions or inquiries!
