Description;

This project invites those who want a new life at the top to Maltepe with its 35-storey structure. The housing project, which draws attention with its perfect view, awaits the homeowners with affordable payment options.

A new life, which draws attention with its view among Maltepe housing projects, begins with this project. You have flats with panoramic sea views in the project, which includes 1+1, 2+1 and 3+1 housing types. In the project, which includes 364 private apartments with its 35-floor structure, you are more involved in the view towards the upper floors. All apartments in the housing project are implemented with the quality of the construction company. With the use of materials that reflect the quality of the company, you will live in safe houses.

Most of the residences in the project consist of 1+1. The priority of those who want to lead a lonely life or prefer a minimalist life will be this housing project. Maltepe, the beloved region of the Anatolian Side with its location close to many points, hosts a new project with a view of the islands and the sea. The value of these comfortable apartments, which will be preferred by those involved in the business world in Kartal and Maltepe, is increasing day by day. You can own rich residences that will add value to your day and your future with the appropriate payment option. The apartments, where you will feel the energy of the region at the maximum level, will fascinate you with the islands and sea view.

One of the most eye-catching towers of Maltepe, the project offers a large number of residences with a choice of 364 apartments. Indoor and outdoor parking, outdoor swimming pool, Turkish Bath, sauna, cafeteria and fitness center offer you the pleasure you want. Whether you stay fit by doing sports or enjoy weekends in the outdoor pool. The project offers you the comfort you deserve with the social opportunities you will enjoy.

There are 24/7 security services for you to live in peace. Thanks to these areas, the little ones will play safely in the playgrounds. The housing project, which offers many options to spend quality time with
