Description;

This project provides a new living space in Halkali. It stands on the European Side with its 9000 square meter area. This Holding has satisfaction rates from their previous projects that are already delivered. Also, the company works with internationally awarded architects and industrial designers. Imagine an elite project which allows every luxurious aspect and contains numerous facilities for your comfort.

Impressive Details Combined by Dosso Dossi

The project consists of 202 residences and stores facing the street. Without a doubt, it presents modern and high-quality architecture. These residences have 2 blocks, 4 different units. The apartment types are; 1+1, 2+1, 3+1. When a bigger apartment is requested it is possible to merge apartments as well. The project takes attention with its balconies and high-quality materials used from doors to the floor.

The residence project makes a difference by including terraces for joyful moments. Besides, these terraces have Kucukcekmece Lake view. You can share time with family and have a barbecue with friends if you like. The project has every aspect for you to enjoy. The residences with unique landscapes and gardens provide you with a villa feeling.

Exclusive Details of Facilities and Transportation Choices

The project has many social facilities in order to provide a comfortable lifestyle to its residents. Some of them are as below;

- Turkish Bath
- Indoor/Outdoor Swimming Pool
